A Stabbing Affair.

A difficulty occurred in this city, Monday night, about 10 o'clock, between Henry Parker and Alfred Connor, both colored, which resulted in the former being beat on the head with a stick and the latter stabbed pretty, lege. severely in the side, with a knife. The difficulty arose out of the fact that Parker persisted in paying attention to Connor's daughter, notwithstanding the fact that Connor had forbidden it. Rape on a Little White Child. On Thursday last, in Holly township, Robert Murphy, a young colored man about 25 years old, attempted to outrage the person of a little white girl by the name of Julia Davis Lee, only W. H. Ardrey, of Mecklenberg, Rev. about 10 years of age. He failed to succeed in the attempt, although the child is considerably injured. As soon as the attempt was known a warrant was promptly issued for his arrest by Justice S. C. Fillyaw, of Union township, and placed in the hands of Depnty Sheriff Washington L. Rivenbark. This officer at once began the search for Murphy, and on Sunday succeeded in arresting him, despite the well known fact that the offender went heavily armed and had sworn that he would not be taken alive. Yesterday morning Mr. Rivenbark brought his prisoner to this city, where he is now
